Let Us Guide The Way...

The Black Resource Center
Peer Guidance Program

This program is designed to aid the academic, social, and cultural adjustment of incoming first year and transfer students to life at UC San Diego. Once you apply to our program, we will match you with one of our Peer Guidance Leaders who are current student leaders in our community. They will guide you throughout your transition to our university and will put together various events throughout the academic year to ensure that you are enjoying, and most importantly, EXCELLING during your first year!

Don’t miss the Peer Guidance Program’s first event which will give you an opportunity to meet other incoming students as well as the Peer Guidance Leaders.

Meet & Greet
Friday, 9/29/17
12PM – 2PM
Black Resource Center
